Finding the Right Music - Entertainments Providers

Based on recommendations, meeting in bridal shows, and searching the Internet and the Yellow Pages we contacted various Music, - Entertainments Providers.

We screened them and chose those that greeted us cordially, provided the information we requested in a timely manner, the people we spoke with were helpful but not too helpful and eager and they followed up.

We feel that they will accommodate us well and within our budget.

We also judged them by their web sites. We liked:

- ✓ The look and feel,
- ✓ That the information we were looking for was right there,
- ✓ That they were helpful
- ✓ They were neither too aggressive, nor over selling,
- ✓ That they included clearly posted name, address, phone and Email contact

We plan to interview the following Music, - Entertainments Providers:
